

**ADMISSION PROCEDURE FOR 2020/2021 ACADEMIC YEAR
FOR FOREIGN CITIZENS
FACULTY OF GENERAL MEDICINE FOR OVERSEAS STUDENTS
GOMEL STATE MEDICAL UNIVERSITY**

1. The educational institution “Gomel State Medical University” (GomSMU) has started registration of foreign citizens and stateless persons constantly living in foreign countries to the first year of the Faculty of General Medicine for Overseas Students in the specialty of General Medicine:
 - on budget or paid basis – in accordance with the international agreements of the Republic of Belarus - until July 15th;
 - on contract payment basis upon completion of the Preliminary Course of Gomel State Medical University and passing of the final exams - until July 15th;
 - on contract payment basis upon the results of the entry exams on Russian/English and on the core subjects (Chemistry, Biology) whose knowledge must be adequate to do the MD program - until October 15th.
2. The terms of holding the entry exams for foreign citizens – August 26th – October 15th, 2020.
3. The terms of the document collection – June 10th – September 10th, 2020.

Foreign students come to study to our country after they obtain a student visa, issued by embassies and consulates of the Republic of Belarus on the ground of an invitation.

To get an invitation to study in Belarus, you are to submit to the Dean`s office of the Faculty of General Medicine for Overseas Students (per post, fax, e-mail) the following documents (copies):

- ✓ copy of national valid passport;
- ✓ copy of Higher Secondary School Examination certificate reflecting subjects and examination marks;
- ✓ application to be issued an invitation.

Admission documents to be presented upon arrival in Belarus

- application to the Rector of the school to be admitted to the first year;
- application to the Rector of the school to be allowed to take the entry exams;
- valid passport and birth certificate;
- original school leaving certificates reflecting subjects and examination marks (or Higher Secondary School Examination Certificate with Chemistry, Biology and English examination marks);
- original medical certificate issued by an official health institution in the applicant`s home country about health condition which certifies to study in the Republic of Belarus;
- HIV certificate issued by a state medical establishment which enables a foreign citizen to study in the climatic conditions of Belarus;
- 9 photos 3x4 cm;

- copy of the invitation letter.

The documents in a foreign language are to be translated in Russian and attested by a notary public.

4. The final decision about the admission of a foreign citizen to the Faculty of General Medicine for Overseas Students is made by the Acceptance Board of the school, approved by the Rector`s Order of June 2, 2020.

5. To be enrolled to the school, foreign applicants must:

- effect a contract for obligatory medical insurance in accordance with the legislation of the Republic of Belarus.
- enter into the Contract 'On training of a specialist with higher education on terms of payment for foreign citizens' with Gomel State Medical University.
- Pass medical examination confirming the absence of contraindications (besides this, students pass medical examination annually). In case of revealing any discrepancy between the certificate results issued in a home country and the medical examination results in Belarus, an applicant must leave the country within 10 days.
- Submit the documents to be registered at the Citizenship and Migration Office;
- Pay the tuition fee for the first term as per the contract;
- Conclude a tenancy contract hostel accommodation and pay the hostel fee for six months ahead.
