

FACULTY OF GENERAL MEDICINE FOR OVERSEAS STUDENTS

In accordance with the Rules of residence for foreign citizens in Belarus, the Internal School Regulations, the Rules of Hostel Accommodation, Contract for studies and Tenancy Contract, the students of Gomel State Medical University must:

- Respect and abide by the laws of the Republic of Belarus.
- Be respectful to the teachers, dean's office and university staff.
- Respect each other, regardless of nationality and religion.
- Students must not solve conflict issues on their own (If you have any problems, you should contact your supervising teacher, hostel mentor, dean's officers);
- Students must always have their passport, medical insurance policy and student card.
- Ensure timely renewal of registration (students submit their passports to the dean's office, room 113, 20 days before the end of the registration).
- Read carefully the contract for studies: payment terms, obligations, rights and penalties. If you do not understand anything, ask the officers to explain.
- Leave your mobile phone number and e-mail to your inspector.
- Undergo an annual medical examination in the days according to the schedule (two days without visiting extra classes). If students do not undergo the medical examination on time, they are denied the right to receive certificates, class permits (dopusk), and exam sheet (vedomost).
- Know the schedule of lectures and classes (available in the dean's office). Know the schedule of extra classes (otrabotka) in the departments.
- Take examinations, credits and tests in due time according to the schedule of their group. Before the beginning of cycle training (for students of 4-6 years) the group leader must inquire the clinic where the classes will be held.
- Students must not be late for classes, for being late - paid otrabotka.
- Students are to extend their student cards (get the dean's signature and stamp) at the beginning of each academic year.
- Group leaders must bring their groupmates' record books to the dean's office before exams and after the final exam.
- Take summer medical training after 3rd, 4th, 5th years in health care institutions of Gomel. Students are allowed to take the training at home in exceptional cases at their personal instance three months before the end of the semester and in case they provide the dean's office with a written confirmation from the hospital where they are going to take practice.
- Plan their home return during summer and winter vacations only within the schedule time, book tickets in advance and submit the terms of the visa to the dean's approval.
- In case of the expulsion from the University for nonpayment, students are accepted to the university at the cost of a new contract.
- Attend all meetings held by the dean's office.
- Students must not drink alcohol and low-alcohol beverages, use narcotic drugs, psychotropic, toxic or other intoxicating substances.
- Must not smoke (including a kальяn) in the hostel, as well as in public places.
- Maintain cleanliness and order in the hostel (living room, kitchen, bathrooms).
- Follow the duty chart in the hostel block, take out litter.
- Comply with fire safety regulations.
- Pay for hostel accommodation in proper time;
- To leave the hostel not later than one month after the expulsion from the University. The room and the property are to be kept in good condition. In case of material damage students must compensate it within 7 days.
- Leave Belarus not later than one month after expulsion.

For non-compliance of the above duties and regulations foreign students:

- Will get reprimand or/and will be expelled from the university;
- Will not be accepted back to the University;

For violation of the Rules of residence for foreign citizens in Belarus:

- for violation of registration terms - a fine min.\$ 50;
- for repeated violations (including - traffic rules, participation in fights, violation of the registration terms) - deportation from Belarus for a period of 1-5 years;
- refusal to issue an invitation for studies.

In accordance with the Rules of residence for foreign citizens in Belarus, the Internal School Regulations, the Rules of Hostel Accommodation, Contract for studies and Tenancy Contract, the students of Gomel State Medical University must:
