

**Список студентов 5 курса факультета иностранных студентов
направленных на летнюю производственную практику
по программе "Врачебная клиническая"
по циклу: "Общественное здоровье и здравоохранение"
с 9 июня 2025 г. по 1 августа 2025 г. Гомель**

№ п/п	ФИ студента	группа	№ зада- ния	По циклу	Название темы
УЗ "Гомельская городская клиническая больница №1"					
1	Аганрен Фейвор Элохор	И-504а	3А	терапия	Organization of medical care for patients with diseases of the nervous system (Class VI, category G10- G32) according to ICD-10 in stationary conditions
2	Агха-Око Фиби Нкемджика	И-504а	3А	терапия	Organization of medical care for patients with diseases of the nervous system (Class VI, category G10- G32) according to ICD-10 in stationary conditions
3	Алакам Викас	И-504а	3А	терапия	Organization of medical care for patients with diseases of the nervous system (Class VI, category G10- G32) according to ICD-10 in stationary conditions
4	Амудала Нагендра Джитендра	И-504а	3А	терапия	Organization of medical care for patients with diseases of the nervous system (Class VI, category G10- G32) according to ICD-10 in stationary conditions
5	Ангаджала Шеха Прия	И-504а	3А	терапия	Organization of medical care for patients with diseases of the nervous system (Class VI, category G10- G32) according to ICD-10 in stationary conditions
6	Анипакала Ришисаи	И-504а	3А	терапия	Organization of medical care for patients with diseases of the nervous system (Class VI, category G10- G32) according to ICD-10 in stationary conditions
7	Балиджа Ануша	И-504а	1А	терапия	Organization of the work of the hospital
8	Дипа Шрихари Ушашри	И-504а	1А	терапия	Organization of the work of the hospital
9	Кета Ли́ла Мадхури	И-504а	1А	терапия	Organization of the work of the hospital
10	Мхией Лина Омар Абдулла Омар	И-504а	8А	хирургия	Organization of medical care for women with diseases of the genitourinary system (Class XIV, heading N70- N77, inflammatory diseases of the female pelvic organs) according to ICD-10 in stationary conditions
11	Убавике Прешес Чинвенду	И-504а	8А	хирургия	Organization of medical care for women with diseases of the genitourinary system (Class XIV, heading N70- N77, inflammatory diseases of the female pelvic organs) according to ICD-10 in stationary conditions
УЗ "Гомельская городская клиническая больница №3"					
1	Баддли Чандана Шри	И-505а	6А	хирургия	Organization of medical care for patients with upper shoulder girdle injuries (Class XIX, heading S50- S69) according to ICD-10 in stationary conditions

УЗ "Гомельская городская клиническая больница №3"					
2	Банодэ Иша	И-505а	6А	хирургия	Organization of medical care for patients with upper shoulder girdle injuries (Class XIX, heading S50- S69) according to ICD-10 in stationary conditions
3	Булханд Закария	И-505а	6А	хирургия	Organization of medical care for patients with upper shoulder girdle injuries (Class XIX, heading S50- S69) according to ICD-10 in stationary conditions
4	Индукуру Гагана Прия	И-505а	6А	хирургия	Organization of medical care for patients with upper shoulder girdle injuries (Class XIX, heading S50- S69) according to ICD-10 in stationary conditions
5	Кабалан Зейнаб-Элисса	И-505а	6А	хирургия	Organization of medical care for patients with upper shoulder girdle injuries (Class XIX, heading S50- S69) according to ICD-10 in stationary conditions
6	Колакалапути Варшини	И-505а	6А	хирургия	Organization of medical care for patients with upper shoulder girdle injuries (Class XIX, heading S50- S69) according to ICD-10 in stationary conditions
7	Кумари Прапти	И-505а	7А	хирургия	Organization of medical care for patients with diseases of the musculoskeletal system and connective tissue (Class XIII, heading M05- M19, according to ICD-10 in stationary conditions
8	Млук Ахмад	И-505а	2А	терапия	Organization of medical care for patients with respiratory diseases, upper respiratory tract diseases (Class X, category J00- J39) according to ICD-10 in stationary conditions
9	Сомараджула Сонирадж	И-505а	2А	терапия	Organization of medical care for patients with respiratory diseases, upper respiratory tract diseases (Class X, category J00- J39) according to ICD-10 in stationary conditions
10	Чиннареддигари Ясвант Кумар Редди	И-505а	4А	терапия	Organization of medical care for patients with diseases of the digestive system, diseases of the appendix, hernias, peritoneal diseases, etc. (Class XI, heading K35- K38) according to ICD-10 in hospital surgical departments
11	Эль Марди Али	И-505а	4А	терапия	Organization of medical care for patients with diseases of the digestive system, diseases of the appendix, hernias, peritoneal diseases, etc. (Class XI, heading K35- K38) according to ICD-10 in hospital surgical departments
ГУЗ "Гомельская городская клиническая БСМП"					
1	Весидисингхе Араччиге Рамши Дилхара	И-503а	1А	терапия	Organization of the work of the hospital
2	Кати Кавя	И-503а	1А	терапия	Organization of the work of the hospital
3	Кесамредди Вишнувардханредди	И-503а	1А	терапия	Organization of the work of the hospital
4	Кона Тириша	И-503а	1А	терапия	Organization of the work of the hospital
5	Мохидин Али	И-503а	2А	терапия	Organization of medical care for patients with respiratory diseases, upper respiratory tract diseases (Class X, category J00- J39) according to ICD-10 in stationary conditions

ГУЗ "Гомельская городская клиническая БСМП"					
6	Пантра Яшвин Шрирам	И-503а	2А	терапия	Organization of medical care for patients with respiratory diseases, upper respiratory tract diseases (Class X, category J00- J39) according to ICD-10 in stationary conditions
7	Парчури Махеш Санджай	И-503а	2А	терапия	Organization of medical care for patients with respiratory diseases, upper respiratory tract diseases (Class X, category J00- J39) according to ICD-10 in stationary conditions
8	Рамалингам Дхивья Бхаратхи	И-503а	10А	хирургия	Organization of medical care for patients with diseases of the endocrine system (Class IV, category E00 – E07) according to ICD -10 in stationary conditions
9	Таманени Педди Редди Дон	И-503а	10А	хирургия	Organization of medical care for patients with diseases of the endocrine system (Class IV, category E00 – E07) according to ICD -10 in stationary conditions
10	Ануж	И-508а	10А	хирургия	Organization of medical care for patients with diseases of the endocrine system (Class IV, category E00 – E07) according to ICD -10 in stationary conditions
11	Аскари Алиреза	И-508а	10А	хирургия	Organization of medical care for patients with diseases of the endocrine system (Class IV, category E00 – E07) according to ICD -10 in stationary conditions
12	Борах Алок Ранджан	И-508а	1А	терапия	Organization of the work of the hospital
13	Дутта Мохарнав	И-508а	2А	терапия	Organization of medical care for patients with respiratory diseases, upper respiratory tract diseases (Class X, category J00- J39) according to ICD-10 in stationary conditions
14	Массей Вишеш	И-508а	2А	терапия	Organization of medical care for patients with respiratory diseases, upper respiratory tract diseases (Class X, category J00- J39) according to ICD-10 in stationary conditions
15	Ритика	И-508а	2А	терапия	Organization of medical care for patients with respiratory diseases, upper respiratory tract diseases (Class X, category J00- J39) according to ICD-10 in stationary conditions
16	Хейдари Фаэзех	И-508а	10А	хирургия	Organization of medical care for patients with diseases of the endocrine system (Class IV, category E00 – E07) according to ICD -10 in stationary conditions
УЗ "Гомельский областной клинический кардиологический центр (терапия)
