

### DATES OF FINAL LESSONS

at the Department of Biological Chemistry in the discipline "Biological Chemistry"  
for the 4th semester of the 2022/2023 academic year for 2nd year students of LF and FIS

No.	date	Section name
1	27.03 – 31.03	Final lesson #4 by sections: "Biochemistry of proteins and nucleic acids", "Biochemistry of nutrition".
2	22.05 – 26.05	Final lesson #5 by sections: "Regulation of metabolism. Biochemistry of hormones", "Biochemistry of organs and tissues".

### DATES OF FINAL LESSONS

at the Department of Biological Chemistry in the discipline "Biological Chemistry"  
for the 4th semester of the 2022/2023 academic year for students2 courses MDF

No.	date	Section name
1	27.03 – 31.03	Final lesson #4 by sections: "Biochemistry of proteins and nucleic acids", "Biochemistry of nutrition".
2	29.05 – 02.06	Final lesson #5 by sections: "Regulation of metabolism. Biochemistry of hormones", "Biochemistry of organs and tissues".

### DATES OF FINAL LESSONS

at the Department of Biological Chemistry in the discipline "Biological Chemistry"  
for the 2nd semester of the 2022/2023 academic year for 1st year students in the specialty  
"medical and preventive business" (MDF)

No.	date	Section name
1	27.03 – 31.03	Final lesson #1 by sections: "Structure and functions of proteins", "Enzymes", "Biological oxidation".
2	01.05 – 05.05	Final lesson #2 in the section "Metabolism and functions of carbohydrates".
3	29.05 – 02.06	Final lesson number #3 by section "The metabolism and function of lipids".

### DATES OF FINAL LESSONS

at the Department of Biological Chemistry in the discipline "Biological Chemistry"  
for the 3rd semester of the 2022/2023 academic year for 2nd year students of the FIS (set 2)

No.	date	Section name
1	20.03 -24.03	Final lesson #1 by sections: "Introduction to Biochemistry. Structure and functions of proteins", "Enzymology" and "Biological oxidation".
2	24.04 – 28.04	Final lesson #2 in the section "Biochemistry of carbohydrates".
3	22.05 – 26.05	Final lesson #3 in the section "Biochemistry of lipids".
