

MINISTRY OF HEALTH OF THE REPUBLIC OF BELARUS

Educational Institution
«Gomel State Medical University»

Student Scientific Society

DEAR COLLEAGUES!

The Student Scientific Society of the «Gomel State Medical University» invites you to take part in the XIII Republican Scientific and Practical Conference with the participation of students and young scientists «Problems and Prospects for the Development of Modern Medicine», which will be held **May 6-7, 2021**. **The conference will be held in the format of: Full-time and Part-time.**

Reception of articles for participation in the conference will be held **until March 31, 2021**.

Students, undergraduates, graduate students and young scientists **under the age of 35** are invited to participate in the conferences.

The official languages of the conference are **Russian, Belarusian, English**.

Forms of participation

Full-time:

- Oral report with publication;
- Oral report without publication;
- Publication of scientific article;
- Poster presentation;
- listener of the conference;

Part-time:

- Publication of materials only;
- Video report (The recommended format is a video recording with a demonstration of the presentation of the work and oral accompanying comments to it, in the extension *. mp4. The duration of the video should not exceed 5 minutes)
- Electronic poster.

Scientific areas of the conference:

1. Obstetrics and gynecology.
2. Human anatomy. Topographic anatomy. Histology, cytology, embryology.
3. Anesthesiology and resuscitation.
4. Internal diseases.
5. Military and extreme medicine.
6. Hygienic sciences. Environmental and radiation medicine.
7. Humanities.
8. Dermatovenerology.
9. Foreign languages. Russian as a foreign language.
10. Infectious diseases, epidemiology.
11. Clinical and laboratory diagnostics.
12. Medical and biological sciences.
13. Microbiology, virology, immunology.
14. Neurology. Psychiatry. Rehabilitation.
15. Normal physiology.
16. General and clinical pharmacology.
17. Public health and health organization.
18. Oncology.
19. Otorhinolaryngology.
20. Ophthalmology.
21. Pathological anatomy. Forensic medicine.
22. Pathological physiology.
23. Pediatrics.
24. Propaedeutics of internal diseases. Propaedeutics of children's diseases.
25. Psychiatry.
26. Cardiovascular surgery.

- 27.Sports medicine. Physical education.
- 28.Traumatology. Orthopedics. Military field surgery.
- 29.Functional and radiation diagnostic methods
- 30.Surgery. Pediatric surgery.

To participate you need to send the [application form](#) and [article](#) also a [scanned copy of the first page](#) of the article signed by all the authors, scientific Director and head of Department (for part-time participation in the message you want to attach the video) not later than [31 March in the e-mail section of the conference](#). The name of the files should include the name of the first author, for example: [Петров.doc](#).

7-10 minutes are given on the oral report (the presentation is in **MS Power Point** format), **5 minutes** on the poster report (the participant presents an A1 poster).

Abstract papers containing a literature review are **not allowed** to participate in the conference. Articles that are **not designed in accordance** with the requirements, and sent by mail later than the specified deadlines, are **not allowed to participate in the conference**.

Rules for the publication of articles for publication:

- 1) Margins: top, bottom – 2.8; right, left-2.5.
- 2) Tabulation and automatic numbering should be disabled.
- 3) The Font Is Times New Roman:
 - text 12 pt,
 - literature 8 pt,
 - Table 10 pt (LOW-FAT),
 - Figure 10 pt, bold.
- 4) Line spacing – single.
- 5) Paragraph indent-0.8.
- 6) The name of the institution should be written in full (e.g.: Educational institution "Gomel State Medical University"), bold font, location – in the center.
- 7) Surname and initials of the author, co-author-bold + italics (e.g.: **Nekrasova V. A., Ivanova E. S.**), location-in the center.
- 8) Scientific supervisors (for example: Scientific supervisor: Candidate of Biological Sciences, Associate Professor E. M. Butenkova, senior lecturer I. V. Fadeeva), location – in the center.
- 9) The title of the article in capital letters in bold (for example: **THE RELATIONSHIP OF MONOZYGOTIC TWINS**), the LOCATION-in the center.
- 10). The UDC is a mandatory part of the article, the location is in the upper-left corner, without paragraph indentation, the font is bold (e.g.: **УДК 125:252./536**).
- 11) Title the main elements of the article – bold font + italics, left-hand position + paragraph indent, literature is located in the center, bold font in capital letters, punctuation mark is not placed at the end:
 - **Introduction**
 - **Goal**
 - **Research material and methods**
 - **The results of the research and their discussion**
 - * **Conclusions**
 - * **LITERATURE** (it is a mandatory element of the article, it is issued according to GOST)
- 12) The volume of the article is up to 3 printed pages;
- 13) Dash design:
 - 121-16 (middle dash);
 - chair-table (long dash);
 - chair — 2 (long dash);
 - 2-chair (long dash);

- because of (hyphen).
- 14) Design of figures and tables: "Table 1-text text text" is written on the left without paragraph indentation, in bold and NOT in italics, at the end of the table name, the dot is not put! "**Figure 1-text text text**" is written in the center, in bold, NOT in italics at the end of the name of the figure, the dot is not put!

Rules for making a poster presentation

Full-time participation: poster format A1, vertical orientation.

Part-time form of participation: poster in electronic form in *.pdf format, size 3508×4961 px, vertical orientation.

The poster should contain all the structural elements of the article, and may contain images, diagrams, and graphs.

Must be posted:

- Full name of the author(s);
- Place of work / study;
- Position;
- Academic degree and academic title
- Information about the supervisor.

Scientific Guide: Ph. D., Associate Professor *E. M. Butenkova*, Senior lecturer. *I.V. Fadeeva*
